

Information to our customers:

Our drivers don't speak English so we made a little info for our customers:
You can print this and fill and give to our driver.

- If needed we can go and clean your waste tank automatically without need of a call.

Example:

(Voimme tyhjentää kaivonne x kertaa vuodessa ilman että tarvitsee soitella)

- 1x year (spring or autumn) (kevät tai syksy)
- 2x year (once spring, once autumn) (2x vuodessa, syksy ja talvi)
- every 3 months etc.

Other, please write it: _____

- We also have waiste tank level alarms. Features: wireless max range 70 meters (with straight view.) Works with batteries. Alarms when tank is almost full, so there is enough time to call us. Easy to install. If you need one, tell the driver and he will mount it on a next time when he arrives. Sensor is at tank and main box is at the house.

Price. 225€

Mounted to wooden/plastic tank cover: 250€ (asennettuna)

(Umpisäiliöön langaton tasohälytin, kantama 70m, toimii paristoilla. helppo asentaa, asennus seuraavalla käyntikerralla.)

- Please make sure that there is enough space to our truck. Trees and bushes up to 4.5 meters should be cut off from the road. Please notice enough width also. (oksat ja puskat 4.5 metriin asti ajoradalta pyydetään raivaamaan)

- Please notice that normally it takes 1-3 days after service call. You can also send English SMS or email to us. (Normaalisti kestää 1-3 päivään)

- Please write your billing address so that we have correct details if our driver selects this.
